

# Retraction Notice Reference Summary

This file is an original academic reference summary. It is not a copy of the publisher's notice.

## Retracted article

Guo, X., Dong, L., and Hao, D. Cellular functions of spermatogonial stem cells in relation to JAK/STAT signaling pathway. *Frontiers in Cell and Developmental Biology*.

Original DOI: 10.3389/fcell.2023.1339390

Retraction notice DOI: 10.3389/fcell.2024.1386861

## Documented concern

The publisher notice records concerns about the nature of AI-generated figures and concludes that the article did not meet editorial and scientific-rigor standards.

## Use in this repository

The accompanying analysis classifies the case narrowly as scientifically invalid AI-generated figures and inadequate validation. The official notice should be checked again on the final submission date.
